CBCW seems to be running along smoothly.
End of season pizza party is scheduled for August 20th at Club Northern at 7:00 PM. It would be nice if some committee members could be there.

Bass Lake ramp is back in position. There needs to be a way to secure that ramp piece to the rest of the dock to make it "less portable".

Not sure of the procedure for NO Parking signs at the Big Sand landing.

The grant to repeat the meandering surveys is a match grant. Not sure of the match ratio. The cycle ends the end of this year. With state budget cuts, the amount of \$ available is uncertain. Russ will have a chat with Jane Malischke.

Russ will propose the picnic table expenditure at the meeting tonight.

Next meeting: Monday August 10th 9:00 AM
